Additional train going thru Barrington will have a severe traffic  
back up since the track cross all major road in the village.

It will cause problem getting emergency vehicle to Hospital  
since all road to Hospital cross the present C&E track

The Emergency vehicle are now placed on both side of the village  
they still have to cross R.R track

The school bus & School busses will be ~~severely~~ backed up for  
miles. there is problem now with the present railroad busses

This additional train traffic will put a strain on Business and  
the overall condition of Community affairs.
